

TOWN OF PHIPPSBURG

CENSUS JOBS

The Bureau of the Census must hire HUNDREDS of workers to cover the coast of Maine and they are in the process now of creating a pool.

An applicant may call 1-866-861-2010 to reserve a slot at one of the exam sessions listed below:

**Phippsburg Town Office on Wed, March 24th from
2:00 p.m. to 4:00 p.m.**

**Phippsburg Town Office on Thu, April 1st from
9:30 p.m. to 11:30 p.m.**

The operator will provide all of the information about reserving a seat, times, id's, etc. One call does it all (It's best to call...a person could drop in for an exam but they might not get a seat if the session is full).

Practice exams are helpful. They are available on the website at www.2010censusjobs.gov and at Town Hall.
