Make Members Aware of AL Benefits

As many of you already know, being a member of The American Legion comes with many benefits. There are a lot of members who don't realize they are entitled to these benefits. Listed below is one of the many benefits available.

Please post this information in your Post Homes, republish it in your own newsletters, or read it at your meetings so your members are informed.

Eligibility for the "No-Cost" AD&D program is limited to Legionnaires in good standing. There are no age restrictions for the "No-Cost" program and the $1,000 benefit does not reduce due to age.

There is a dismemberment benefit as well and the program provides an extra $500 in benefits should the accidental death occur when the legionnaire is on official Legion business.

By enrolling or reenrolling at this time you will have or extend your benefits through August 31, 2016.
