Chair Thombs opened the Hearing explaining the reason for a sideline setback variance for an ADA access ramp for Popham Chapel, 971 Popham Road (Map 014, Lot025). Mr. Neal Barrows was present on behalf of the Corporation. The ramp is to be on the east side of the Chapel house, 42" wide, and 16' along the south. The proposed ramp is 18'+- from the property line and needs a variance because it is to close. Mr. Totman motioned to grant the application for a 5' setback, from 20' to 15' based on the ADA laws, Mr. Cashman seconded, 6/0 vote. Board members signed the application.
