EMERGENCY SELECTMEN'S MEETING
John M. Young MINUTES
Administrator March 1, 2010

Meeting convened at 5:00 p.m. at the Town Hall with Selectmen Douglass, Perkins and Pye in attendance.

I. New Business

1. Consider approving a Heavyweight Vehicle Exemption for a self propelled crane to transit Parker Head Road to the Center Church to remove the damaged weathervane and a section of the spire. Crane is owned by "The Cote Corporation". If the weathervane and attached section of spire is not removed it could separate causing further damage to the church and possible injury to those on the ground. This will be a one trip permit.

Selectmen voted (3-0) to approve the Heavyweight Vehicle Exemption.

II. Adjournment - Selectmen voted (3-0) to adjourn at 5:01 p.m.
