

Town of Phippsburg Recycling Program

The Town has significantly changed and expanded its recycling program. First, residents will no longer be required to separate their recyclables. All recyclable items may be put in the containers mixed together – no more sorting! We call this “single stream” recycling. Secondly, the list of items we collect has expanded to include such things as paperboard and all types of plastic containers. The complete list of items are detailed below.

SINGLE STREAM RECYCLING **“Recycling Made Simple”**

It ALL goes in together:
